

Directions to Hadedea Creek

Approx. 142km from Johannesburg CBD

GPS Coordinates: S 26 53.050 , E 27 21.326

Take the N1 to Bloemfontein, pass the Grassmere Plaza, cross the Vaal River and enter the Free State. 10kms Past the river take the R59 off ramp and then turn right and travel the 20kms into Parys. Drive through the town, careful not to speed as they trap regularly.

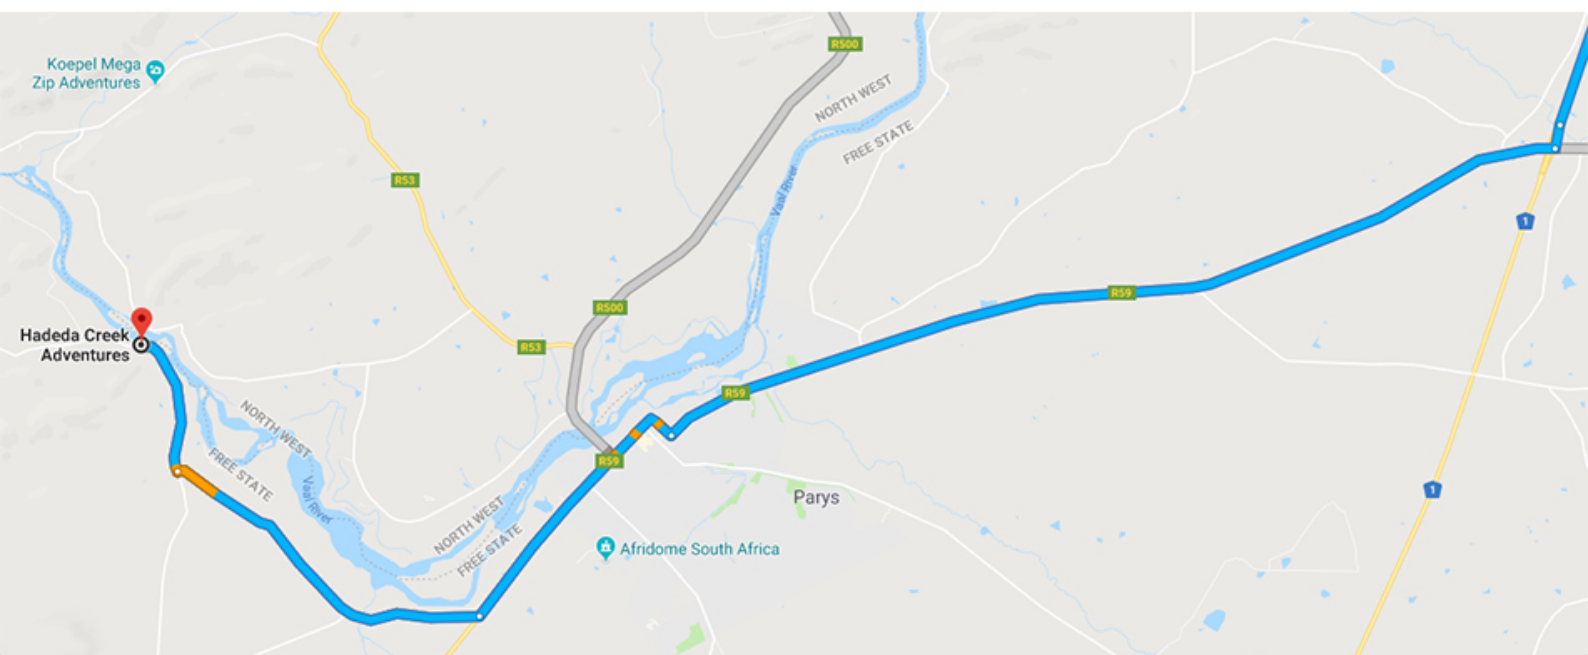

The drive through town is in a figure of "S". Head out of town towards Vredefort, past the cemetery, and past the new Vaal de Grace Golf Course on your right. After 3kms take the Schoemansdrift turnoff to the right onto the tarred road.

The tarr road becomes a dirt road. Follow the dirt road to the T-junction where you will see a directional board for Hadedea. Turn Right.

After 3kms you will find Hadedea on your right. Be careful on the bumpy section over the last 3kms and Hadedea Creek will be on your right.

Pull in and relax, your experience is about to begin.
